### **Speakers**

#### **Julie Bruce – Director, KPMG LLP**

Julie is a Director in the Forensic Investigations & Compliance team and has over fifteen years' experience of conducting fraud and financial investigations and advising clients on regulatory and risk management. Julie has managed investigations both in the UK and overseas, across the public and private sectors. Her investigation experience includes investigations into misappropriations of funds, theft, false accounting, kickbacks and procurement frauds and accounts manipulation / "black holes". Julie has also conducted integrity and compliance due diligence reviews focused on fraud and bribery and corruption risk at a wide variety of clients including listed companies, financial and public sector organisations.

#### **Raj Atwal – KPMG Cyber team**

Raj is a multiple certified Security, Governance, Risk, Compliance and Audit professional with 24 years' experience of Information Technology and Management. Raj specialises in providing: IT Governance, Information Security and Assurance. He has in-depth knowledge of the information security industry gained through 18 years of working in the field. Raj is the Certification Manager for KPMG's UK ISO Certification Practice and specialises in ISO27001 Information Security Management Systems. He has worked in several different market sectors with both local and global clients.

#### **Detective Sergeant Gary Sirrell – Cyber Protect Officer within the West Midlands Regional Organised Crime Unit (WMROCU).**

Gary will be talking about the current cyber threat landscape, and the UK Cyber Strategy, whilst also providing some local case studies. He will conclude with some advice around what businesses and the public can do to protect themselves against a cyber-attack.
